April 27, 2016 Mitsubishi Motors Corporation Public Relations Department

Notice Regarding Recording of Extraordinary Loss

Mitsubishi Motors Corporation (MMC) announces that it has recorded extraordinary loss in its non-consolidated financial results for the 2015 fiscal year ended March 31, 2016. The detail is as follows:

1. Effect on financial results

Loss on revaluation of investment in United States-based subsidiary Mitsubishi Motors North America, Inc. amounting to JPY 24.6 billion due to a drop in the value of the subsidiary's net assets.

This recording carries no effect on MMC's consolidated financial results.
