- If specifications change or software updating occurs after our check, the actual operation may differ from our check result.
- The operation check does not guarantee all the operations and functions of the Bluetooth® device of same type.
- We are not responsible if data etc. in a smartphone are lost when in use.
- When the unit and a smartphone are connected, we could not fully guarantee the function of the voice recognition such as "Hey Siri".
- Although countries and regions where services are available are expanding, Apple CarPlay services are NOT available in some markets.

- If you need information concerning availability of Apple CarPlay in your region, please check the latest information from following website. <https://www.apple.com/ios/feature-availability/#apple-carplay>
- Apple, iPhone, Siri, CarPlay and CarPlay logos are trademarks of Apple Inc., registered in the U.S. and other countries.
